

2. FOR CHILDREN - to colour

Create your own pattern, decorate with your name or simply colour in.

Please get your adult to complete the back with their details if they're able to give a helping hand to the PTA and show your support.

Many thanks.

1. FOR ADULTS - to complete

Wessex Helping Hands

Helping Hands with Wessex PTA

Please bring to the
BBQ Fri 13th Sep
or drop in the red postbox
in school atrium

Like all schools, budgets have been cut over the years and the money the PTA raises makes a huge difference to school budgets and the facilities we can offer our children.

We need a BIGGER ARMY OF HELPERS for these Events and activities to run. If we could spread the load between the hundreds of parents / grandparents / carers within the school it would make so much difference, allowing all helpers to also spend time with their families at events.

We would hugely appreciate it if you could complete the following to show your support and perhaps indicate particular areas where your time or resources may be able to help the PTA and Wessex school. Many thanks.
