

Year 6 "Getting out of here" in their fabulous Year 6 production!

Dear Parents and Carers

As we reach the end of the 2025–2026 school year, this will be our final regular weekly newsletter. Next week, we will share our end-of-term newsletter, which will celebrate the many achievements, experiences and learning opportunities that have taken place across each year group during the Summer Term. We will also include our attendance figures for the year.

You will find in your emails today, your child's **school report** for this academic year. The report gives you an update on your child's attainment and effort alongside their attendance record for this academic year. Please make sure that you read your child's report and take the time to share it with them.

Your child's attainment has been graded as either Working Below Expected, Working At Expected and Working Above Expected Standard. These phrases are based against end of year expectations for your child's year group. Effort has been graded as one of the following: Excellent, Good, or Could Improve.

Pupils in Years 1, 4 and 6 will also receive the results of their national assessments in a separate email report:

- Phonics Screening Check score for pupils in Year 1 or Year 2 pupils who did not meet the standard last year.
- Multiplication Tables Check score for pupils in Year 4.
- Year 6 SATs results

The phonics check is out of 40 marks and 32 is considered a pass. For any pupils who did not achieve the standard of 32, they will retake the check at the end of Year 2.

The Multiplication Tables Check is out of 25. There is no pass mark but the score that pupils achieve provides us with further information about any areas where pupils may need further support next year.

If you would like to discuss any aspect of your child's report, please get in contact with the school and your child's teacher will be in contact.

Year 6 wowed parents and pupils alike this week with their production of ***I'm an 11 Year Old, Get Me Out Of Here***. Huge thanks must go to Mrs Oliva, Mrs Cox and the whole Year 6 team for their efforts with direction, organisation and prop procurement and special thanks and acknowledgement must go to Mrs Hilbourne for the brilliant backdrop that she created. Some children were a little unsure about performing when parts were initially cast but they certainly shone through with their enthusiasm and energy! We all enjoyed your trip down memory lane and your acting, singing and comedy timing were all superb. Audiences were laughing in the aisles and happy that you all collected enough stars to be released to 'big school'. Well done to all!

We currently have so much **lost property** in school. Please do make sure that you have a look through before the end of term as we do not keep lost property from one year to the next.

Mr Beavan

Quotes of the week

"I thought the production was fun because there was really good music and we all cooperated" George

"The production was fun. There were lots of funny lines and it was really enjoyable" Jack T-S

"I think the production made Year 6 better and more fun" Khadijah

"I'm looking forward to the Year 6 BBQ because I get to play with my friends and eat yummy food" Oliver S

"I really liked the production because we all got to be together and be peaceful as one" Erin

"I am looking forward to the BBQ. I hope the food is good!" Riley

"I'm looking forward to the BBQ because I feel like it will be a blast!" Zayena

GOOD NEWS

School attendance this week

95.1%

Last week = 91.1%
Last year average = 95%
Aiming for 97%

School Values

Once again, we asked pupils to demonstrate all of our values this week by continuing to think about how they are all interwoven. Congratulations to all of our Good News winners this week!

Staffing Update

A few weeks ago, we shared the staffing structure for next September. I am very pleased that Mrs Polly Szablowski will work alongside Mrs Alfred in Larch class next year whilst also working in Poplar for a day a week also. Mrs Szablowski was in school last week getting to know the children that she will be teaching and meeting colleagues.

Miss Hussain has met her class this week through a virtual Q&A session and both Miss Hussain and the children are very excited to be working together next year in Poplar Class.

Homework Challenge

This week in assembly, we welcomed Julia from Maidenhead libraries. She came to introduce this year's Summer library challenge. Children can sign up for free at any local library and if they read six books over the six weeks, they will have completed the challenge.

We also would like to set some homework for everyone in the school. We would LOVE to see where you have been caught reading over the holidays. Please send the office a photo of your child reading somewhere. It might be in a swimming pool, up a tree, at the beach, in the local park – the more creative the better. We want to use these pictures to create a display at school so any visitors can see how creative the pupils of Wessex can be. We look forward to seeing the places that pupils at Wessex read over the summer!

We also have a TTRS competition for all pupils in current Years 2 – 5. The competition runs from each day between 7am and 7pm starting today until Tuesday 1st September. Pupils get the chance to represent their year group and also will play individually. Good luck to all pupils.

Finally, we would love to receive a postcard from anywhere you may be over the summer holidays. We would love to hear what you have been up to. Please send your postcards to school and we will be displaying these ready for when we all come back in September.

We look forward to celebrating all of the pupils who will be reading, writing or practising maths over the summer break.

Building Confidence & Well
Being through Drama

Little Tanks drama club is enrichment for your child as it aims to develop children's confidence and well-being. Throughout the term the children will partake in games and activities that will be fun, exciting and engaging. We believe that by embedding your child's resilience it will give them a more positive approach to developing their strengths even further. Work on an end of term show to share with parents during the last session.

Autumn Term 2026
